Details of BS Program Under Evaluation

1. Admission eligibility policy

(Provide admission eligibility policy regarding program under evaluation)

2. Admission Criteria

(Minimum 50% Marks and Mathematics in intermediate is required according to HEC)

3. How far have the objectives of the program been achieved

(Please write clear answer.)

4. How frequently is the program reviewed and revised?

(What is the Process/Procedure?)

5. Please provide a summary of the problem solving skills developed by the Program

(Please write clear answer.)

6. Please provide a summary of the technologies exposed to students

(Please write clear answer.)

7. Please list down the assessment standards of the institute

(Please write clear answer.)

**Higher Education Commission
National Computing Education Accreditation Council
(NCEAC)**

8. How far does the program correlate with existing industrial trends?

(Give Details)

9. Which emerging technologies do you train your students in?

(Please write clear answer.)

10. Program Goals

(What are the goals of program under evaluation?)

Admission Info. For the Year 2018

11. Total number of admitted students in program under evaluation

(Please provide total number of admissions in fall, spring, Morning, Evening, Boys and Girl session of program under evaluation)

12. Total Number of currently enrolled students in program under evaluation

(Please provide total number of currently enrolled student in spring, fall, Morning, Evening, boys and girl session of program under evaluation)

13. Total number of sections of currently enrolled students of program under Evaluation

(Please write clear answer.)

14. Average number of Currently Enrolled students per sections

(Please write clear answer.)

Admission Info. For the Year 2017

15. Total number of admitted students in program under evaluation

(Please provide total number of admissions in fall, spring, Morning, Evening, Boys and Girl session of program under evaluation)

- 24. Total Number of currently enrolled students in program under evaluation**
(Please provide total number of currently enrolled student in spring, fall, Morning, Evening, boys and girl session of program under evaluation)
- 25. Total number of sections of currently enrolled students of program under Evaluation**
(Please write clear answer.)
- 26. Average number of Currently Enrolled students per sections**
(Please write clear answer.)

Admission Info. For the Year 2014

- 27. Total number of admitted students in program under evaluation**
(Please provide total number of admissions in fall, spring, Morning, Evening, Boys and Girl session of program under evaluation)
- 28. Total Number of currently enrolled students in program under evaluation**
(Please provide total number of currently enrolled student in spring, fall, Morning, Evening, boys and girl session of program under evaluation)
- 29. Total number of sections of currently enrolled students of program under Evaluation**
(Please write clear answer.)
- 30. Average number of Currently Enrolled students per sections**
(Please write clear answer.)

Infrastructure Information Form

Institute Name, City
Program Name (Batch)

Lecture Rooms

1. Total Number of Dedicated Lecture Rooms

(For the Program under Evaluation)

2. Total Number of Shared Lecture Rooms

(For the Program under Evaluation)

3. Average Size of each lecture rooms

(In Square Feet)

2. Instructional Facilities provided in lecture rooms

(Provide Details)

3. Other facilities

(For Example: Heating System, ACS etc.)

Computing Labs

4. Total Number of Computing Labs

(For the Program under Evaluation)

5. Average Number of Computers per Lab

(For the Program under Evaluation)

**Higher Education Commission
National Computing Education Accreditation Council
(NCEAC)**

6. Average Lifetime of PC in computer labs

(No of Years)

7. Lab contact hours per credit hour per week

(Please write clear answer.)

8. Nature & level of Networking

(Provide Details)

9. Specialized lab facilities & Hours of their availability

(Provide Details)

10. Is there Logic Design Lab for CS students

(Please write clear answer.)

11. Is there any exclusive Final Year Lab for CS students

(Please write clear answer.)

Labs Info. For the Year 2018

12. Student to Computer Ratio

(Please write clear answer.)

Labs Info. For the Year 2017

13. Student to Computer Ratio

(Please write clear answer.)

Labs Info. For the Year 2016

14. Student to Computer Ratio

(Please write clear answer.)

Library

15. Total Number of books in Library

(Please write clear answer.)

16. Total Number of Unique titles in Library

(Please write clear answer.)

17. Is connected to HEC digital Library

(Please write clear answer.)

18. Is there any library management system

(Please write clear answer.)

19. Is there access to IEEE/ACM Journals/Proceedings in library

(Please write clear answer.)

Library Info. For the Year 2018

20. Computing Books added to Library

(Please write clear answer.)

**Higher Education Commission
National Computing Education Accreditation Council
(NCEAC)**

21. Number of printed technical magazines

(Please write clear answer.)

Library Info. For the Year 2017

22. Computing Books added to Library

(Please write clear answer.)

23. Number of printed technical magazines

(Please write clear answer.)

Library Info. For the Year 2016

24. Computing Books added to Library

(Please write clear answer.)

25. Number of printed technical magazines

(Please write clear answer.)
